### PROJECT EXPERIENCE

#### Project Coordinator

National Robotics Competition Team

- Ensured compliance with competition rules and standards
- Helped delegate roles to ensure equal participation from all team members

#### Engineer

Young Engineers Competition

- Built model plane robot to demonstrate hurricane data collection.
- Built simulation environment to ensure that plane made it through Category 1 conditions.
- Was able to meet with local aerospace company to test model plane in other hurricane conditions.
- Will represent state of Missouri at National Finals in 2025

### EDUCATION

#### Best High School

High School Diploma, expected 2025

- Vice President, Robotics Team
